## **PRESIDENT'S PEN**

Good luck to those playing tomorrow in the 4<sup>th</sup> round of the men's club championship qualifying rounds. Hopefully the weather plays nice and you can improve on your scoring. I just want to pass on my thanks to Dave and Todd for your efforts this week on the course while Ben and Robert have been away, a great effort boys. On that note I have caught up with both Ben and Robert this morning who have spent 4 days at the New Zealand Sports Turf Institute, both have come back excited with what the future holds for themselves and the course. You may have noticed this week in the club rooms that the TV has moved to the other side of the building. The next step is to go back tidy up the wall where the TV was so the honours boards can go back up. We are continuing to make progress 😊. As we near ANZAC Day it's important we acknowledge and thank those who have gone before us, in some cases lost their lives in the fight for our freedoms. We will remember them.
