### **PRESIDENT’S PEN**

Good luck to both those ladies and men’s who have planned matches this week as part of our club championships, hopefully the weather comes in better than forecasted for you. A shout out and big thanks to Carol Mack and her team working on the new gardens around the practice putting green. I’m sure you can understand the winter months are always a little tougher for the club with the weekly twilight golf income disappearing, we are trying a monthly quiz night which is planned for Tuesday 30<sup>th</sup> May, checkout the poster below and if you can support then please do, that means you are supporting the club. On that note, keep an eye out on the course over the coming weeks, the executive and greens team are always listening to member feedback and are working hard on making small improvements to lift the standard of the course. Good golfing everyone.

*Clive Porter*

### **LADIES CLUB CAPTAIN UPDATE**

This Saturday sees the final round for qualifying for Club Champs. Unfortunately, the number of lady entries this year has been very low due to a number of reasons, and I am hoping moving forward into next year we can rectify this. The comments above do not reflect the ladies who have already played and won/loss matches, if anything it highlights the small number who have played some awesome matches. One match that I will mention is the game between Trudie and Kaye-Maree. They played the 19th to determine the winner- Congratulations went to Kay-Maree and well challenged by Trudie. Our Midweek Pennant team has finished play for this year - thankyou ladies for your effort to play on a consistent basis. Unfortunately, no prize this year. Our 9 Hole ladies play at home this coming Monday. Good luck to the team. Our weekend pennant team has two rounds to play 28th of May and 11th of June. If you know any ladies considering playing golf please encourage and grow their thoughts and bring them out to Te Ngutu - the more the merrier. Happy golfing everyone.
