### **PRESIDENT'S PEN**

A lot of activity over the coming weeks at the course, again member support is vital to allow us to continue to take things forward. I appreciate with the Presidents Pairs dart's events onsite tomorrow, this will take away a little from your usual post golf wind down, I thank you in advance for working with us on this one, its events like these during winter months that are so important and beneficial for the club. You will see below information for the Calcutta Auction coming up on Friday 30<sup>th</sup> June, starting at 6pm this will be a hoot of a night and one not to miss. On a safety note, a reminder that we recently launched updated safety policies for cart use. These have not been put in place to be a nuisance but to keep drivers and passengers safe. Please follow the rules, failure to do so will mean the cart is removed from the course. Lots of great top dog matches planned for tomorrow, see you on the course.

### **LADIES CLUB CAPTAIN UPDATE**

Yet another beautiful day out at Te Ngutu today. I think it's like walking around a park with a bit of golf thrown in. We are very lucky to live where we do and have this golf course in our backyard. I have been pleasantly surprised at the run we are still getting, taking into consideration this is the month of June. The greens a lightening - note to self to ease back on the effort. We currently have a few ladies away, injured or other commitments so our numbers are a bit low on a Tuesday, but it's still a pleasure to play golf with the ladies who are turning up. I would love to see a few more faces if you can make it. Hope to see you all next week. Good golfing

## Men's Club Captain Update

After some feedback tee times have been loaded for all remaining top dog matches planned for Saturday 24<sup>th</sup> June. If you have not seen them yet, please check the tee booking app or contact the clubhouse to check in. Thanks to those members that qualified for the Leece Rosebowl last week, the draw will be finalised for that in the coming days with the first round scheduled to be played on Saturday 22<sup>nd</sup> July. Looking forward to a big day of golf on the course tomorrow followed by watching some darts, good golfing everyone. I am also running a 100 ticket raffle for the Calcutta which will give the lucky winner the opportunity to purchase their team at half price, see me for a ticket and or questions.

## Club Manager's Update

As mentioned last week, tomorrow (Saturday 24<sup>th</sup> June) we are hosting the presidents' pairs dart tournament in the club house in which there is an expected 60-80 players along with spectators frequenting the clubrooms. To be able to host events like this is critically important during winter months and it's a big thanks to JK for bringing the event to us. For this one day it does mean some disruption to normal Saturday post golf activities, I do thank you all in advance for working with us on this for the good of the club.

- It has been agreed with Wendy (caterer) that she will take the day off as the kitchen will be packed. Pies and Sausage Rolls will be available from the golf shop.
- Table space will be a premium, seating will be set up in the foyer to accommodate extra people and JK has also sourced bar leaners for the day which will be in the clubrooms, all members are welcome to and encouraged to enjoy some of the darts action after their round.

## 59ers Results

It was too much to ask for 3 perfect Thursdays in a row, none the less the rain stayed away, and a good-sized field played 59ers yesterday. With 41 points, round of the day went to T Dunn who was closely followed by T Mahony on 40 points. A Jackson (39) with A Langton and J Willis (38) were not far behind. Others taking home prizes were P Bishop, T O'Connor, F Bunker, S Smith and R Knapp. It great to see K Fare picking up a prize with 34 points and then cutting it off at that point as well 😊. P Bishop picked up 2 twos with K Fare getting 1. Closest To the Pins went to P Bayley (2<sup>nd</sup>), G Rutten (4<sup>th</sup>) and P Bishop (11<sup>th</sup>). Raffle wins went to B Smith, G Kennedy and R Schrader with the wooden spoon going to M Jones.

## JUNIOR GOLF UPDATE

They love to play golf, checkout the photos below, we played one evening until dark!
