Friday 12th May 2023

Hi all, just a short sharp newsletter this week as Robert is out of the country enjoying the sun and writing this from the Gold Coast.

NOTES FROM THE PRESIDENT

Congratulations to all the winners from last weeks matches, it was great to see some great scoring. Well done Richard Gyde and Samuel Houghton both under par for their rounds. I'm pleased to update you all that the installation of the honour's boards are progressing well; we are at the final design stage with the work due to start in the coming weeks. A big thanks to Julie, Judy and Wayne for your help over the next week with opening the shop as needed while is Robert is away. It looks like the weather is looking good for Saturday which is a great change from the last few days, so hopefully you will get some golf in.
