PRESIDENT'S PEN

Fingers crossed for the weather tomorrow with many Top/Underdog matches scheduled to take place, good luck to those with matches. The Calcutta will follow shortly after the final match of the day finishes, this should be around 4pm, member support of this event is vital to make it a success and make it fun. Once again, I want to pass on my appreciation to Ben and Todd, course conditions at the moment are excellent in what has been some trying conditions. Thanks to all members for your understanding of the course closure last Saturday, believe me the decision was not made lightly and ultimately its about player safety and protecting the course from damage. The All Blacks kick off their season this week, Sunday morning, go the AB's !

LADIES CLUB CAPTAIN UPDATE

Despite the weather pattern over the past two weeks there has been some play on the course for the Ladies. The course continues to play well - at times there is still a run with the ball which is unusual for June / July golf in South of Taranaki. There are a number of ladies away or on nana daycare with the school holidays in action at the moment, so hence another reason for low numbers. Remember if there is a lady thinking of playing golf, please invite them out to play. The more the merrier. Lessons can be arranged - just contact Rob Larsen with any inquiries. Kim has completed our information booklet so you can get a copy from the clubrooms - again just ask Rob if you can't find them. Happy golfing one and all.

Just a reminder there is a \$10 top dog entry fee, if you have not paid yet can you please take care of that this week. The Winter Eclectic will start again this Saturday as well, if anyone has any questions around this please see Rob in the shop, remember the top 19 go into a shootout final.
