PRESIDENT'S PEN

What a great week of weather it has been, it's good to see the course starting to dry up. We are coring next week and it really looks like the weather will be in our favour ... for a change. We recently completed the Dunlop Insurance 27 Hole Classic and 18 Hole Open events. It was a fantastic day from course presentation all the way to tournament organisation. A big thanks to all those volunteers who helped in some way, there are too many to name, but you know who you are. Best of luck for the men starting their strokeplay championship this week and to the ladies who continue with their calendar of events. I'm really looking forward to dinner and entertainment at tomorrow nights social event, it will be a good night!

THANKYOU – SUBWAY HAWERA

It goes without saying that the support of sponsors is invaluable and without them supporting us the costs to operate the club at this level would need to be passed on to members. The Executive Members of Te Ngutu Golf Club would like to acknowledge and thank Subway Hawera for their continued support. If you are looking for a quick, healthy and great tasting lunch or dinner option, don't forget to check out the Subway menu.

MENS CLUB CAPTAINS UPDATE

Last week we finished the 2nd and final round of the Malcolm Memorial Tray. In the final round in very trying conditions Tom O'Connor returned a net 66 for a combined score of 139 to finish 7 shots clear of Graeme McGregor. A great round and congratulations Tom! This Saturday is the first round of the men's strokeplay championship. A reminder that the 2nd round is scheduled for Saturday 9th September. From tomorrow the men's playing condition will return to placing on your own mown fairway only. The men's senior pennants competition kicks off this Sunday at New Plymouth Golf Club. A big thanks to our team this week who have made themselves available and good luck. The team is;

- Jarron Pittams
- Sam Houghton
- Jacob Gopperth

COURSE CLOSED FOR CORING

A reminder to members that next Monday 28th and Tuesday 29th the course is closed due to coring of the greens. We are looking for volunteer helpers on the Monday. If you can help just come on down from 8am. Many hands make light work and with enough support we could start to open up the course again from Tuesday. I will keep Facebook and emails updated with progress so keep an eye on those channels for information.
