PRESIDENT'S PEN

The greens continue to get better every week, they have responded so well, and I am so pleased the weather played nice for us and we were able to get that coring done when we did. Again, a big thanks to those that helped us out and a massive shout out to Ben and Todd for their organisation and focus on the day and subsequent weeks. Checkout below for an update on the fast-approaching twilight golf season, I am pleased to confirm that we once again have the fantastic support of Pak N Save Hawera on board, I'm even told this year we may see the Pak N Save team out on the course. Good luck to all golfers this Saturday with both ladies and mens competitions having strokeplay rounds. Also, good luck to our Senior Men's Pennants team who are playing at Hawera this Sunday. We will not dwell on last weekend's sporting results but simply wish the All Blacks luck for their 2nd RWC match and UP THE WAHS!

Tuesday evening golf will commence from the 17th October. More details on both events will follow in the coming weeks.

CLUB TROPHIES

If you have a club trophy at home, can you please return it. We are in the process of auditing our trophies and making sure they are all accounted for and have engraving up to date.

59ERS RESULTS

It was a little blustery and not that warm but that didn't stop a field of 41 golfers putting their skills to the test. A Griffin's skills were clearly on display when he carded the round of the day with 41 points. J Willis was only a point behind with 40. C Cathie, T O'Connor and J Cathie all finished with 38 points followed by C Hughes with 37. R Tito was pretty accurate with his irons claiming the nearest to the pins on both the 2nd and 11th with M Cleaver claiming the 4th. Raffle wins went to S Robinson, R Tito and R Johnson with R Cleaver taking home the wooden spoon.

MENS CLUB CAPTAIN UPDATE

This Sunday our Senior Men's pennant team will be playing 2 rounds at Hawera, a great opportunity for locals to be able to pop down and watch them in action. GOLFSHOP UPDATE WITH THE GOLFZONE

With the support of Paul and Dean from the GolfZone we are starting to build up a nice selection of Junior Golf Equipment. In store are single junior clubs with package sets and bags available, there will be some of these to view shortly. Arriving today is a master's Junior 2-wheel trundler which is adjustable depending on the bag size. A selection of TaylorMade golf balls also landed in store today, it's great to now be able to offer the range of golf balls we have in store. We were just shy of 70 players in the hagggle last week which again allowed us to pay down to 15th. The jackpot was not struck and in the space of a week has ballooned out to \$104. Check out the full results below.
