PRESIDENT'S PEN

It's been a great week down at the golf club this week with lot's happening. On Saturday night we held a winter social event with dinner and entertainment. It was a great night to mix and mingle with each other. The food was superb and a massive thanks to Shaun Campbell for providing the entertainment for the evening, the dance floor was full most of the night so you know it must have been good. A whole lot of work went on behind the scenes to ensure the night went off without a hitch so a big thanks to Lynne Newell and the many lady members who helped to contribute to a very successful night, something we will need to do again in the future. Speaking of helpers on Monday we cored the greens and with the support of nearly 15 volunteers the task which was massive was completed in a day. In fear of missing names, I won't list those that helped but your support huge and I thank you very much, you know who you are! We have two projects on the horizon over the coming months, adding the sponsored name bricks to the front fence and other finishing touches along with some resurfacing work on tee blocks through October. Anyone interested in helping with these upcoming projects please let us know. Hope to see many of you at the course tomorrow for something different, alternate shot foursomes should be interesting, be sure to come up with a good team name, I hear there might be some spot prizes. Good golfing !

THANKYOU – CALLIE'S CUT & DRIED

It goes without saying that the support of sponsors is invaluable and without them supporting us the costs to operate the club at this level would need to be passed on to members. The Executive Members of Te Ngutu Golf Club would like to acknowledge and thank Callie's Cut & Dried for their ongoing support and sponsorship. Be sure to give Callie and the team a call for all your hair care needs.

59ERS RESULTS

The weather was glorious, and despite the greens only being cored days before over 50 golfers teed off Thursday, and boy was the scoring hot. G Kennedy showed the young guns how to play coming home with 42 points and the round of the day. A Jackson and R Hansen both had 40 points with S Thompson and S Smith 39. R Hansen had the only 2 of the day which was on the 16th. R Murrell (2nd), M Hurley (4th) and R Hansen (11th) picked up the accuracy prizes with S White, G McGregor and G Hughes winning raffle prizes. The wooden spoon was picked up by S McCullum.

CLUB DAY – SATURDAY 2ND SEPTEMBER

A reminder that the 2nd round of the men's strokeplay is planned for Saturday 9th September and not tomorrow due to the coring of the greens. A Alternate Shot Foursomes event is planned for tomorrow. You can either book a tee time with your partner as usual or turn up and report into the shop if you need a partner. Scorecards will be printed by Robert, put some thought into your team names as there are spot prizes on the line for best team names. 1 player will take the odd hole's and the other the even holes for tee offs. Your team handicap will be on the scorecard calculated for you. Any questions regarding the format please speak to Robert in the shop. Anyone is more than welcome to play just a standard 18-hole own ball round of golf, there will be no haggle available for those rounds.
