### **PRESIDENT'S PEN**

A lot of work has gone in at the course and behind the scenes since my last update. We had a very successful Closed Christmas Hamper with a field of over 115, we launched the new Te Ngutu Golf Club app which has taken communication to the next level, planning is underway for upcoming special and annual general meetings, the first lot of bricks are in the front wall and the course continues to look and play great. A massive thanks to the executive team and the many volunteers that keep the cogs turning. Speaking of the course I do need to announce that unfortunately Todd has parted ways with the golf club. The constant sitting on mowers all day had aggravated an old back injury. At the end of the day Todds health rightfully was his #1 priority and we worked with him to be able to exit the role quickly. He remains available for twilight BBQ duty and bar work as needed and we wish him well for an upcoming back surgery.

### **FUNDRAISING BRICKS**

It was great to see on Sunday a merry band of helpers getting the first lot of bricks up and into the front wall. The executive committee is very appreciative of all those members and supporters of the club who purchased a brick. We are now able to invite members again for another opportunity to purchase a brick for the front wall. Bricks cost \$200, if this is something you are interested in, please see Robert for details.

## SHE LOVES GOLF

Last night was the third She Loves Golf session with 12 ladies, most haven't played golf before. They enjoyed an hour and a half of coaching; some played a few holes and socializing. Thanks to Neryda Sullivan who is coordinating the group - each week she has new ladies arriving to learn and have fun. Enormous thanks to Debbie McCallum, Kaye-Maree Mihaljevich, Erin Wilson, and Glenice Houghton who helped with coaching last night. If you know of any ladies who would like to try golf, these sessions happen every Thursday starting at 5.30pm, please let Neryda or Rob know. If you have any golf clubs that aren't being used, many ladies are wanting to buy some, please let Rob know if you have.
