OCTOBER 2024 IN REVIEW

Presidents Pen – We are a little bit late with pen to paper this month, it has been a very busy few weeks on course. Firstly we hosted the Shand Cup / Sybil Green Salver. The event was an over whelming success. I can not thank enough the countless hours of volunter support that went into making that weekend a success. The countless hours on course prepartion, the multitude of work in the gardens to the behind scences work on optations and kitchens all contributed, I can not thank you enough. This carried over to Sunday just gone in which a very successful Open Christmas Hamper took place. Entries were a staggering 144 and they came from far and wide to play the course, a testament to the condition it is currently in. We have the Closed Chsittmas Hamper this Saturday, we had over a 100 play last year and it would be great to see similar numbers. The Annual General Meeting is just around the corner, it is planned for Monday 9th December, executive nomination and remit forms can be found in the clubrooms and in the app.

Recent Champion of Champion Results – Both the Ladies and Men have recrntly completed their champion of champion events. In the ladies Silver competition Debbie McCallum came away with the win, a great result for Debbie. Sharmaine Signal placed 2nd in the 9 Hole event while Louise Abbott was 2nd in the nett event run on the same day. Brent Cudby playing in the intermediate men competition placed 4th, a big thanks to all those who represented the club and congratulations to the above.

Te Ngutu Golf Club Closed Christmas Hamper – Tees is off this Saturday. Meet from 9:00am, you can either enter your own fours otherwise cards will be drawn for a multi tee 9:30am start. Last year we had over 100 in the field, let do it again.

Life in the Trap by Rick Newell

Welcome To New Members – During October it is a warm welcome to Jarad Chittenden (Full Playing Man), Helen Paki Paki (Full Playing Woman), Mack White (6 Months), Troy Kunaiti (Associate Man), Roger Mackay (3 Months) and Cameron Kelbrick (Junior Plus).

Te Ngutu Golf Club Closed Christmas Hamper – Tees is off this Saturday. Meet from 9:00am, you can either enter your own fours otherwise cards will be drawn for a multi tee 9:30am start. Last year we had over 100 in the field, let do it again.

October Golf Stats – In October 2024 Te Ngutu members posted 511 rounds which compared with October 2023 of 746, was well down on course usage. During October Clem Fowler (13) and Kian Larsen (12) lead the way with most rounds played. Julie Cleaver with 6 rounds lead the way for our ladies. For the month of October off the white tees for men the 3rd hole played the hardest averaging 1.44 strokes over par. Off the yellow tees for the ladies it was also the 3rd hole averaging 2.17 strokes over par. The 11th for both the men and ladies played the easiest.

Annual General Meeting – Notification has been sent to members of the upcoming 91st Annual General Meeting of Te Ngutu Golf Club. A great place to keep up to date with everything to do with the A.G.M is within the Te Ngutu Golf Club app. A tile dedicated to just the A.G.M has been set up to allow for all documents to found and located in one simple place. If you're not on the app then executive nomination and remit forms can also be found in the clubrooms. Joining the executive is a great way to help shape the future of the club, if this sounds like you then get yourself nominated today.

Please Be Weary Of Greens Staff And Volunteers – A reminder to golfers to please be weary when playing shots with either green staff or volunteers nearby. While on the mowers, earmuffs on and focusing on mowing lines you may not notice golfers in the vicinity, and it then comes down to the golfer holding off hitting the ball to avoid injury. Please lets all work together to keep everyone safe on the golf course.

Has Summer Approaches Please Don't Forget To ...
